

Special terms for shop products of SCI Verkehr GmbH (SCI)

1. Copyright

The copyright on all studies and data provided by SCI to the customer remains with SCI. Any duplication, distribution, transfer, content-related changes or any other use beyond this agreement - whether in return for payment or free of charge - is excluded.

2. Right of use

2.1. The right to use the studies and data transferred to the customer is limited to the purely internal purposes of the customer's company. The usage right is limited to the client in their own, direct legal form at the respective business location. The usage right thus does not refer to companies or other entities within which the client holds a legal or economic stake, in any form, or with which the client is otherwise associated.

All data provided to the customer may only be used for his own purposes within the company.

In the context of use, the copyright of SCI as well as the date of the respective provision or publication by SCI must be explicitly indicated.

2.2. Disclosure for internal purposes to service providers of the company (tax consultants, auditors, lawyers, etc.) is permitted as long as the customer also guarantees compliance with the Special Terms and Conditions by the service provider.

2.3. Provision of the studies and data in data rooms (inter alia in the context of due diligence) is only permitted (and then only in part) with the explicit written consent of SCI.

2.4. Additional usage rights for subsidiaries and/or further offices in other countries can be acquired. The acquisition of a license (for a reduced price) is only possible when an initial order has been placed prior to this.

3. Liability

All statements in our studies and our data refer to the status of the investigations at the time of publication by SCI. We have compiled the studies and data to the best of our knowledge and with the greatest possible care. However, to the extent permitted by law, SCI assumes neither liability nor guarantees for the prognoses, assessments and recommendations made in the studies or derived therefrom. The statements made by SCI do not constitute legal guarantees in their entirety. SCI will take action against all cases of unauthorised passing on and duplication etc. in order to protect its copyrights and will file legal charges with the prosecution authorities.

4. Validity

These special terms of use apply in addition to our general terms and conditions.

5. Data protection
